

Cookie Statement

The Cookie Statement describes the cookies that Maxxisample s.r.o. (hereafter also referred to as: “Maxxisample” or “we” and “our”) applies on its website www.maxxisample.com (hereafter referred to as: the “Website”) and the purpose of such cookies.

What are cookies?

Cookies are small pieces of text or other information that are forwarded to your browser when visiting a website to be stored on the hard drive or memory of your computer, tablet or mobile telephone (hereafter: “Device”). The cookies placed via the Website cannot harm your Device or files stored on your Device.

Which cookies does Maxxisample apply?

Functional cookies

Maxxisample primarily makes use of functional cookies. Such cookies are necessary to provide the services and functionality you requested. Functional cookies enable you f.e. to log in without having to log in again on the next website page.

Analytics cookies

To collect statistics regarding the use of and visits to the Website, Maxxisample makes use of analytics services. The statistics are analysed by the provider of such analytics services. The results are provided to Maxxisample. This enables Maxxisample to gain an insight into the Website and based on such data, to update the Website and/or its service provision accordingly. The analytics service may provide such information to third parties only if this is a statutory requirement. Maxxisample makes use of the following analytics services: Google analytics.

We have configured our analytics services for maximum privacy. This implies that we implemented the following measures to protect your privacy.

- a. We have concluded a processor agreement with the provider of the analytics service.

Removal of cookies

After authorising Maxxisample to place and read cookies, you can always revoke your permission by configuring your browser to not accept cookies, or by removing all cookies that have been placed in your browser. Please consult your browser's help function to see how you can remove the cookies.

Please remember that removing cookies may affect the performance of certain components of the Website.

Refusing and removing cookies only has an impact on the relevant computer and browser in which you select this option. If you make use of several computers and/or browsers, you need to repeat the above action/actions for each computer and/or browser.

Privacy Statement

There is a possibility that the information collected with a cookie contains private data. If that is the case, the Maxxisample Privacy Statement additionally applies to processing such private data. The Privacy Statement is available from our Website.

Amendments

This Cookie Statement is subject to changes. Any amendments to this Cookie Statement will be announced via the Website.

Questions

If you have any questions regarding this Cookie Statement, please send a message to info@maxxisample.com.
